2.5.1 Mechanism of internal/ external assessment is transparent and the grievance Redressal system is time-bound and efficient

The institute has an Examination Committee for smooth conduction of Common Class Tests, Subject Knowledge Tests, Seminars, Home Assignments, and Projects etc. The results are declared immediately on the notice boards. They are free to discuss their queries with the concern teacher. As a result, it helps them to secure good marks in the University Examinations. In fact, the earnest efforts are being made to bring reforms in Continuous Internal Evaluation (CIE) system at the Institutional Level.

The objective of the internal exam committee are as follows; It prepare time tables for the test exams; The committee suggests different measures to improve the system of evaluation. The committee forms notices of the test examination beforehand and display it on the notice boards. The committee has to inform the schedule to the teachers in advance in order to prepare question papers for the test exams. The committee ensure the evaluation of the test papers. It is observed that in some other cases there are serious grievances. It is found that some students displayed absent although they attempted the exam. In such a cases teacher have to point out this to the committee. The committee with the letter of principal communicates with the university and get it corrected.

College Examination Committee handles the student's grievance issues regarding university and college examination and assessment. The regular meetings of the members are scheduled and the grievance issues related to examinations and others are discussed. The cell also works to deal with Examination related grievances in order to bring reforms in term of efficient, time bound and transparent conduction of the examination.

The institute is located in rural area remote from the university place and it is not possible for the student to go there for exam related issues such as to obtain withheld mark sheets, examination hall tickets, to submit photo copies of mark sheets to obtain the degree certificate. It is also observed that in some cases student lost the original documents and they wanted the second copy of the documents for such issues the grievance cell helps the student with the assistance of non-teaching staff who visits university for their academic works.

The continuous internal evaluation includes offline assignments, group discussion, seminar, arranging guest lectures, poster presentations, etc. The continuous internal evaluation aims at the overall development of the student. The institute also conduct educational tour and field visit.

It is very difficult condition during Covid: 19 to conduct class and to have student's exams and evaluation work by teachers. There are many problems of connectivity for the on-

line exam. Many students living in remote area couldn't succeed to submit the papers due to connectivity. Some student failed in the exam at that time the institute communicated with the university and a solution came out of it that if the student fails to submit one or two paper, university consider it and given them average marks to that subjects which didn't get on line submission due to internet connectivity.

उत्तर - प्रतिष्ठ कविता में कवि ने राजनीतिक से ३ प्रखालिप रिश्ता बनाया है। राजनीतिक मनुष्य के जीवन को परभावित करता। इस में अमन लीला के विशेष विरोध और मनुष्य के जीवन का प्रकाश देती है। इस का कल्प कल्प की पिंडा इस से जुड़े होकर है इस पिंडा को जान कर ही हम राजनीतिक की अवय को समझ सकते है। केन्द्रीनात सार का करना है। जो राजनीतिक समकालीन कविता में राजनीतिक मनुष्य के जीवन को परभावित करती है।

समकालीन कविता हमारे समय की पहचान है। इस में आज के संघर्ष करते अर्थमा की सच्ची तासवीर है। इस विधुवसभलुष का करना है जो समकाली कविता में अपाप्त है इसका साक्षात्कलासा होता है और वर्तमान समय के जनने का परधान मिलता है। इस में अनवर्ष करते गीरते पड़ते, उठते बुधलात आरंभ नजर अते है। (3)

इससे वाता वाता में सुष के जीवन
