Incubation Centre

To incubate to student for their future field of profession institute has to provide ICT supported infrastructure, invite expert in field of Industry, Business, corporate sectors and Banking sectors organised interaction session with the students.

VISION:

Incubation Centre is a space for new age entrepreneurs and young minds to transform their innovative ideas into viable business propositions. Our primary vision is to facilitate a platform for a budding entrepreneur to start a business venture with minimum risks. Incubation will ensure that incubates have access to technological assistance which will be generated through mentors with multidisciplinary expertise. We encourage young enthusiasts with creative pursuits with an inherent zeal to be entrepreneurs to take advantage of this novel initiative.

MISSION:

The idea of the IIC is to not let the ideas go to waste. This centre will act as a complete support system that will provide hands-on experience in innovation and entrepreneurship. Every member will be nurtured with the industry experts, management and faculties. This gives a platform for students to start their dream of projects.

OBJECTIVES:

1. To lead students to create and carry out entrepreneurial activities.
2. To inculcate the entrepreneurial spirit by organising various activities.
3. To inculcate Startup culture and to establish Incubation Center in the college.
4. Encouragement towards Innovation and nurture the Innovative ideas among the student community.
5. To encouragement of students to display projects and innovative ideas.
6. To promote knowledge driven and technology based ventures among the students, faculty and alumni.
