Activity Report

Activity: - One day program on "Road Safety Awareness"

Date: - 23/12/2017 (Saturday)

Time: - 11:00 am

Venue: -Vasant Rao Naik College

The D.L.L.E unit of Vasant Rao Naik College of Arts, Commerce, and Science, Mhasala-Raigad has organized one-day "**Awareness Program on Road Safety**" on Tuesday, 23th December 2017 in College at about 11.00 am.

The chief guest of this program was Mr.Sahebrao Pawar, Deputy Superintendent of Police - Shreevardhan as well as special guests, Mr.M.R.Sawant, and Mr.S.Y.Nimbalkar, Police Inspectors, Mhasala.

Dr.Kanif Bhosale, Head, Department of Business Economics, welcomed all the guests and students. The college Principal discussed about the responsibility of the youth towards following the traffic rules diligently and inspiring others to do the same. Speaking on the occasion, Mr.M.R.Sawant, and Mr.S.Y.Nimbalkar, said that the interactive session would create traffic awareness among students which is very important as it makes them sensitive towards the importance of their and others' lives.

Chief Guest Mr. Sahebrao Pawar while addressing the students highlighted the fact that every year in India near about one lakh fifty thousand people lose their lives in road accidents .He had put the data of road accidents with the help of power point presentation. The main cause for all the pain and loss of life is the fast and furious driving done by the people. These accidents can be stopped if the traffic rules are properly followed.

Speaking about the traffic signals, Mr.Sahebrao Pawar said that today's youth should not drive under the influence of intoxicants and must use helmets & seat belts. This will not diminish the beauty of youth.

Principal thanked all the guests for their contribution to this activity. All the staff members, and total of 75 students were present on this occasion. The program was conducted by DLLE unit and the vote of thanks was given by Mr. Kanif Bhosale, Chairman of DLLE Unit.
