UNIVERSITY OF BOMBAY

No. CONCOL/ 75 of 1988.

CIRCULAR :-

Subject : Appointments of full-time and part-time teachers in time-scale of pay in non-Government affiliated colleges in the faculties of Arts, Science and Commerce and full-time teachers in non-Government affiliated colleges of Education and Law.

Reference : (1) University Circular No. BCC/207 dated 17th April, 1986.
(2) University Circular No. BCC/508 dated 4th December, 1987.

The Principals of non-Government affiliated colleges in the Faculties of Arts (including Education), Science, Commerce and Law are aware that Statute 417 prescribes the manner and mode of selection and appointment of teachers in time-scale of pay. The Principals will now initiate the process of selection and appointment of teachers for the next academic year 1988-89 and thereafter. By direction of the Vice-Chancellor, the Principals are requested to kindly follow the following instructions in that behalf.

Advertisement

1.1 The advertisement is required to be published in a newspaper of all India circulation in the name and address of the college and not by post box number. In view of this, the advertisement should be published in a newspaper like the Times of India, the Indian Express, the Hindu, the Amrit Bazar Patrika, Maharashtra Times, LokSatta, University News (weekly Journal published by the Association of Indian Universities, New Delhi) and Employment News (Weekly Journal published by the Government of India, Ministry of Intermission and Broadcasting, New Delhi). The Advertisement may be published either in English or in Hindi language. Advertisements published in Marathi language alone will not be accepted. Similarly, advertisements published only in newspapers like Kesari (Pune), Pudhari (Kolhapur), Ratnagiri Times (Ratnagiri), Sagar (Chiplun) will not be accepted.

1.2 The last date for receipt of applications should be so fixed as to allow applicants not less than 15 days to submit their applications as prescribed in clause (II) (a) of statute 417. The following three provisions must be included in the advertisement separately :-

- (a) The qualifications and pay-scales for the post/s are as prescribed by the University of Bombay. The details of qualifications, pay-scales and allowances will be supplied on request.
- (b) Applicants who are already employed are required to submit their applications through proper channel.
- (c) Applicants are required to account to breaks, if any in their academic career."

2

1.3 The reservation of posts be made as prescribed by the University and in accordance with the instructions issued by the Backward Class Cell of this office from time to time.

Selection Committee

2.1 The Selection Committee for making recommendations to the Governing Body of the college for appointment of teachers must be of the composition as prescribed in clause (i) of Statute 417. It may be mentioned that the Chairman of the Government Body of the college or his nominee is the Chairman of the Selection Committee, the person occupying this office in the Selection Committee should not be otherwise than as prescribed. The report of the Selection Committee should specifically mention against the name of the person occupying this office whether he is Chairman of the Governing Body or his nominee. Any other mention such as Management's nominee/representative, President/Chairman of the society etc. will not be accepted. The qualifications prescribed for the posts of teachers are the minimum, qualifications only to determine the eligibility for applying for the posts. In view of this, such of the applicants as fulfil the qualifications latest by the last date prescribed for receipt of applications are eligible to apply for the posts and therefore such applicants only should be called for interview before the Selection Committee. It has been observed in the past that applicants who have appeared for the Master's degree examination have been called for interview. This is not correct. Any recommendation made by the Selection Committee recommending such an applicant cannot be considered. The Selection Committee has to recommend candidates in order of merit if it recommends more than one candidate for a post and not in order of preference. The recommendation of the Selection Committee will not be considered if there was not quorum at the meeting as prescribed. The quorum prescribed for the meeting of the Selection Committee is four members one of whom should be the experts nominated by the University.

2.2 As prescribed in clause (ii)(b) of Statute 417, the date of the meeting of the Selection committee should be so fixed as to allow notice thereof being given at least 15 days to each member of the committee and to the candidates and the particulars of the candidates should be supplied so as to reach the members of the committee at least 7 days before the date of the meeting.

2.3 The interviews of the candidates belonging to Scheduled Castes, Scheduled Tribes, Denotified Tribes and Nomadic Tribes for appointment in the reserved posts should be held on a day or sitting of the Selection Committee other than the day or sitting on which general candidates are to be interviewed so that these backward class candidates are not judged in comparison with general candidates and the Selection Committee is prominently aware of the need for judging these backward class candidates by relaxed standards. A specific mention of this should be made in the report of the Selection Committee.

ABOUT THE COLLEGE

Over the years, since the inception in 1990, the Konkan Unnati Mitra Mandal's Vasant Rao Naik College of Arts, Commerce and Barrister A.R. Antulay Science College, Mhasala has strived hard to cater at least the basic need of Education so that the socio-economically deprived students can avail good education without an extra monetary burden on the day-to-day expenses from their parents.

Realizing the importance of education for development of the society, our inspiring and visionary personality: Late Barrister A. R. Antulay took an initiative and started this college in 1990 at Mhasala in dist. Raigad. Though Mhasala is a Taluka place, during the inception of this Institution, it was yet a neglected and deprived of higher education, communication and basic facilities required to live a moderate life. This situation adversely affected the socio-economic life of the society.

Initially, the College was run in a modest rented building with limited students in the Arts and Commerce stream. Due to the Innovative perseverance of our founder Br. A. R. Antulay Saheb and committed stakeholders, a new building was constructed and the college was shifted to an owned campus in 2003. Selection of the location is the reflection of maturity, foresight and proper decision making of our Top Management. Our location is conducive for learning and teaching process, sprawling in 7.2 acres, conserving biodiversity, rich flora and fauna, as well as peace and tranquility.

Every year the strength of students is growing manifold, in Commerce as well as Arts faculties. This growth enforced Management to start the Science stream in 2016-17 to cater to the education need of the society. This college was named: Barrister A. R. Antulay Science College. Also M. Com in Advanced Accountancy was eventually initiated, which received a good response from student community.

Our Institution being student centric, the overall development of students and making them competent to face and succeed in competitive age is our main objective behind the establishment of this Institution. Our Institution always gives priority to serve the interest of underprivileged, down trodden, poor and needy students irrespective of their caste, creed, religion and region etc. Various incentives, amenities financial and non-financial are provided to them to uplift themselves. Female students, particularly are well protected and respected in the college campus. Students with physical disabilities are also taken care by providing special infrastructural and educational facilities. The college goes an extra mile for the holistic development of students by organizing various skill based and extra-curricular activities throughout the year.

Our President, Mr. Mushtaq Antulay, and his colleagues in the management are the think tank of this Institution & they go an extra mile to inspire and guide us to upgrade the overall quality in education. Under the guidance of the management, this College equips itself to keep pace with the latest developments in the field of education and technology. Digitization of Library, increasing the stock of useful books, well equipped laboratories and spacious auditorium, replacement of traditional teaching learning process by ICT enabled technology, are on our Agenda and implementation is progressing at a very fast pace.

This module takes care of all possible functions of circulation. Utmost care was taken to design this module with built-in functionalities for membership management, maintenance and status of library items, transaction, ILL, overdue charges, renewals and reminders, search status and report generation according to the status of the items. The Circulation Module is fully compliant with the NISO Circulation and Interchange Protocol (NCIP) version 2.0 and SIP 2 protocol for electronic surveillance and RFID-based transaction of the items. Major functions of the circulation module are:

- Membership;
- Transaction;
- Inter-library loan;
- Over due charges;
- Reminder;
- Search status;
- Maintenance of the items such as binding, lost, replace, missing, withdraw, etc.;
- Book bank/Group issue;
- Stock verification
- Customize member card; and
- Report generation based on the various requirements.

On-line Public Access Catalogue (OPAC)

One of the major attraction of SOUL is its robust On-line Public Access Catalogue (OPAC). The OPAC has simple and advanced search facility with minimum information of documents available in database by author, title, corporate body, conference name, subject headings, keywords, class number, series name, accession number or combination of any of two or more information. OPAC offers the following functionalities:

- Simple Search;
- Boolean Search;
- Advanced Boolean Search;
- Displaying and downloading of records in MS Excel, PDF or MARCXML;
- Web-based member interface through OPAC and
- Search support for the items that are in the acquisition process in the library.

Serial Control

Managing serials is the most complicated job for a library. The module keeps track of serials in the library effectively and efficiently. The serial control module is developed based on the KARDEX system and has following functions built into it:

- suggestions;
- master databases;
- subscriptions;
- check-in of individual issues of journals;
- payment, reminder, binding, and title history;
- export / import using ISO 2709 bibliographic exchange format;
- article indexing of journal/book articles;
- cataloguing of electronic journals;
- keeps track of the history changes of the journals; and
- MARC 21 Entry/ edit option.
